✨ Welcome to Global Campus

Hey **AdrianeNS**,

Welcome!

Thank you for joining GitHub Global Campus. GitHub Global Campus helps students, teachers, and schools access the tools and events they need to shape the next generation of software development.

Congratulations, you are now a GitHub Global Campus student! You can now explore valuable offers provided by GitHub's partners in the GitHub Student Developer Pack, view student events, and much more when you sign in at:

https://education.github.com/globalcampus/student?email_referrer=true

If you are renewing your membership please be aware that some of our partner offers are single-use and non-renewable, and that you should contact the partner directly if you have any questions.

Learn about GitHub Education's programs for students, like GitHub Campus Experts and our grants for first-time hackathons:

https://education.github.com/students

Introduce yourself to the GitHub Education Community:

https://github.com/orgs/github-community/discussions/categories/github-education

Your teacher or faculty advisor can request private repositories for your class projects or student club. Send them to:

https://help.github.com/categories/teaching-and-learning-with-github-education

Let them know they may also request a GitHub Education Swag Bag filled with GitHub educational materials and motivators (including Octocat stickers!)

Give the gift of GitHub Education to your entire school:

https://education.github.com/partners/schools

Have an Octotastic day!

- The GitHub Education Team
